Looking to add to your collection? Starting today, THE LINE has partnered up with Artsy.net to host a sale (on both websites and at The Apartment, THE LINE's brick and mortar home base) of artworks by Lauren Seiden, Sanda Iliescu, Jeffrey Hoone, Werner Bischof, Nicholas Alan Cope, Chip Hooper, Do Ho Suh, and Tony Scherman, and curated by The Line's cofounders Vanessa Traina and Morgan Wendelborn and in conjunction with Artsy's Christine Kuan and Rebecca Bronfein Raphael.

The co-curated co-sale is THE LINE's first venture into art — previously a go-to for the quintessentially chic and perfect water glass, button down, or toothbrush. The available works in Line-perfect setting, below:
